Jimmy - you can make a motion to go over the 3 min on that comment

If you want to hear the whole thing

Jimmy Ward

I wanted to but no one could hear me. The public comments I read had many more people in favor of Tidalwave than against. Who picked which comments to read?!

She read them all in order received

Both from The online form and from the emails sent to council

I am leaving town tomorrow after the police ceremony and will be back Monday, October 19th. Jimmy, since you will be the mayor, we will have to prorate my mayors huge salary to compensate you. 😂

Merry Christmas and Happy New ! I don't think I officially told Mayor Pro Tem Jimmy Ward that I will be out of town from today through January 2nd. He is the "El Hefe" for a week. Carol and I will be in Hot Springs, NC in our RV. Cheers!
